

IMPORTANT ANNOUNCEMENT

Signature Limited is pleased to announce the acquisition of The Post & Column Company.

Signature is a major supplier of traffic management products and street furniture and is part of the global Plastic Omnium Group which has a turnover of 2.5 billion Euros.

Robin Land MD of Signature UK said "The acquisition is a strategic move by Signature Limited to increase the portfolio of products offered to its Clients which are complimentary to its current comprehensive ranges of street furniture."

Howard Luther, who will remain as the Managing Director of Post & Column commented "We have known Signature for many years and we are confident that they will make the necessary investments in Post & Column to ensure that it reaches its full potential over the coming years"

Post & Column manufacture lighting columns, sign posts and have an exclusive distribution agreement with Jerol for post and lighting columns which are passively safe.
